Raven's Lore presents

M.P. Halliday
Author of feminist dark fairytales for young adults

Local author M.P. Halliday will be at Raven's Lore offering her book, Skyblue, for your consideration.

If you've never heard the Grimm or Perrault story of Bluebeard, here's the lowdown: creepy-yet-intiguing aristocrat marries one young woman after another, but they keep disappearing. The culprit? He murdered them (yikes). Cue the courageous heroine, given a key to her new husband's most secret room and told never to open it. She does. She narrowly escapes the same horrific fate as his other wives.

Many readers (the author included) have wondered why Bluebeard killed his wives. Barring the fact that he may just be a serial killer, M.P. Halliday's rendition of the story explores the possibility of magic—a man cursed by a vicious Egyptian god who compels him to test the merits of his unsuspecting wives. The girl who breaks his curse will win his heart.

Saturday, May 31
noon - 3pm
